Adm. Stansfield Turner
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Admiral Turner:

Our interview with you will appear in our current issue.
We think it is a fine complement to our cover story on the Central
Intelligence Agency.

We sincerely appreciate the time you gave Joe Fromm and Orr
Kelly for the interview, and the prompt service you gave us on clear-
ing the manuscript.

A quantity of magazines will be delivered to you on Monday.

Sincerely,

Lester Tanzer
